MOOSE LAKE - A BRIEF HISTORY

Moose Lake is a gem of a town located in scenic northeast Minnesota. Its approximately 2700+ residents are surrounded by historic and modern buildings and businesses. Residents and visitors can visit the agate and gem displays at Moose Lake State Park, see the world's largest agate on display at First National Bank of Moose Lake, and learn about the history of the 1918 Fire at the Moose Lake Historical Society. Other popular attractions in Moose Lake can be found covering a wide range of year-round indoor and outdoor entertainment opportunities including the Moose Lake Muni (on and off-sale), Moose Lake Brewing Company, art galleries, the public golf course, bowling, pickleball, and agate picking in the local gravel pits (permits required). There are spectacular trails in the area for both motorized and non-motorized use. The area lakes and rivers are a perfect place to fish and swim.

If you enjoy experiencing all four seasons of the year, Moose Lake is the place to be! Winters tend to be cold and snow, followed by beautiful springs filled with young wildlife and spectacular wildflowers. Summers are perfect for outdoor activities with average high temperatures in the upper 70s and low 80s (F). When the temperatures start to cool and fall arrives, the only way to describe the colors of the many species of trees here is "stunning."

The foundation of Moose Lake begins in the 1800's when Scandinavians settled in the area. Ole Amunson made the first permanent home along the eastern shore of Sturgeon Lake. The population of the area

quickly grew and on February 15, 1889, the Village of Moose Lake was incorporated. By 1890, there were approximately 169 residents.

The Northern Pacific Railroad and logging industry were both instrumental in the growth of Moose Lake. A depot was built in 1873 and then again in 1907 by the Soo Line Railroad. It was the second depot that did not burn when the 1918 Fire ravished Moose Lake and surrounding communities. It is speculated that sparks off a train ignited the dry brush. The fire was responsible for the deaths of 453 people, including 14 members of one family.

Passenger train service to Moose Lake ended in May 1959.

Moose Lake has its share of historical places, but it also boasts new, modern facilities, including the K-12 school, medical clinic, and surgery center.

Only three miles southwest of Moose Lake is the Moose Lake Carlton County Airport. It has a lighted, paved, 3,200-foot runway.

Former railroad lines have been converted to recreational trails, like the Willard Munger and Soo Line Trails. These are another way to see and be part of the beauty of the Moose Lake area.

Whether you drive, ride, float or fly in, the Moose Lake area has our unique home-town experiences and events for you and your family and friends to enjoy.

PARKS

ART OHLGREN RECREATIONAL AREA

Located on Highway 61 and Sand Lake Road, three miles south of Moose Lake, the park features two lighted tennis courts, one pickleball court, a full basketball court, a softball field and covered pavilion.

ERVID T. CLEMONS MEMORIAL REST AREA

Arrowhead Land and Lakeshore Drive, this park features a 100-foot fishing pier and picnic area. It is situated where Moosehead Lake feeds into the Moosehead River.

EARL ELLENS PARK AND RECREATION AREA

Located centrally in Moose Lake off Highway 73, this park has plans for expansion. It currently features a large parking area with grass area and skateboard park.

GENERAL ANDREWS STATE FOREST

This forest, located between the cities of Sturgeon Lake and Willow River and on both sides of the I-35 Freeway, is crisscrossed with trails used mostly by four-wheelers, snowmobiles, and occasionally fat bikers. It is commonly accessed from Dago Lake Road or Laketown Road (Hwy 46E).

GENERATIONS PARK

Look no further, this is the perfect place for family and group get-togethers, and has a covered gazebo and picnic tables. The park is located at 20 Earl Ellens Drive. Nestled along the edge of the Moose Horn River, enjoy watching a variety of waterfowl, including swans and more. Contact the City of Moose Lake to reserve your space.

HALVERSON LITTLE LEAGUE FIELD

Found behind Moose Lake Schools, Halverson Field offers a regulation softball/baseball field with team dugouts and equipment storage.

MOOSE LAKE CITY PARK

Set on Birch Avenue and Third Street, this park features supervised public swimming, renovated playground, picnic areas, band shell, bathrooms, changing rooms, open pavilion, public boat landing and enclosed pavilion with full kitchen and party room (available with reservations). For information call (218) 485-4761.

MOOSE LAKE STATE PARK

Located on majestic Echo Lake, this park offers a well-maintained public swimming beach, picnic area, hiking and cross-country skiing trails, volleyball, camping, and boat landing. The Moose Lake Agate and Geological Interpretive Center is on site. State Park pass required. Located at 4252 County Road 137, Moose Lake, (218)460-7001 mooselake.statepark@state.mn.us.

RIVERSIDE ARENA

This facility is equipped with artificial ice allowing for skating from October to March. The arena building houses locker rooms, a heated viewing area, concession stand and restrooms as well as

abundant seating. During the summer months, this arena is available for rent for events.

ROY PETERSON MEMORIAL PARK

This park is located on Folz Boulevard. As a former bowling alley, this is a great location for a public playground and basketball court.

TOWN SQUARE

Located in the center of Moose Lake's downtown area, this park's gazebo and gorgeous flowers offer a nice, shady place to sit and rest during a busy day or enjoy a picnic lunch.

TWILIGHT FIELD

This is a great location and a great field. Twilight Field can be found adjacent to the Moose Lake Fire Hall on Highway 73. Proudly hosting the area youth softball/ baseball, this field boasts a great concession stand, dugouts and viewer seating.

VETERAN'S MEMORIAL PARK

Found at the corner of Seventh Street and Birch Avenue, Veteran's Memorial Park honors the men and women who have bravely served our country. Two benches are set to allow a restful remembrance.

TRAILS

DNR GRANT-IN-AID TRAILS

The DNR opens up a network of "grant-in-aid" trails in the winter-time throughout the state, including in the Moose Lake area. These trails are mostly used by snowmobilers and occasional fat bikers. The trails can be found on an interactive map at www.dnr.state.mn.us/snowmobiling/interactive_map/index.html.

MOOSE LAKE WOODLAND TRAILS

The Moose Lake Woodland Trails consist of approximately three miles of rugged trails for non-motorized use, that pass through a variety of habitats. No permit or fee is required. Nearly one mile of trails pass close to the Moosehorn River. Deer, river otters, waterfowl, songbirds, and other various wildlife are often seen from the trails. Some portions of the trails are often wet and muddy while others are mostly high and dry. The trails are very popular with snowshoers, cross-country skiers and fat bikers in the winter months. All trails are signed to minimize the chance of getting lost. Cellular service and data are generally available. Pets are welcome, but please clean up after them.

"SOO LINE TRAIL" NEAR THE SOO PITS

This part of the Soo Line Trail is located on county land on the north end of Moose Lake. It consists of a gravel road with various spur trails connecting to it. The trail is closed to automobiles but open to four-wheelers. The trail is mostly flat, and passes between two ponds where beaver and waterfowl can be observed. Fat bikes can ride on these trails in the winter months.

WILLARD MUNGER STATE TRAIL

The nation's longest paved multiple-use trail stretches 72 miles from Hinckley to Duluth. While hiking, bicycling, in-line skating or snowmobiling, you'll have many opportunities to see wildlife and enjoy our scenic rivers, streams, and lakes from the many benches along the way. You'll also find plenty of opportunity for shopping, camping, and picnicking along the trail. This railroad grade provided escape routes for the Moose Lake victims of the 1918 fires. You will encounter several monuments and museums along the route. In our town, a scenic loop takes you right past the Moose Lake Railroad Depot and Fires of 1918 Museum.

WATERWAYS

FISHING

That great Minnesota fish, the walleye, is found in abundance in area lakes. Whether you prefer the warm summer breeze or the cold arctic air you'll find sunfish, crappies, bass, and northern pike, as well as sturgeon during the annual run in May.

CANOEING AND KAYAKING

The many rivers that surround the area provide for some spectacular sites not seen by any other means. From Moose Lake's public canoe landing on the Moosehorn River to the various landings on the Kettle River, the quiet exploration of our wilderness is an adventure.

BOATING

Recreational boating and water skiing is available on all area lakes, most of which are equipped with public landings.

MOOSE LAKE 4TH OF JULY

MOOSE LAKE BREWFEST JUL. 13, 2024

AGATE DAYS JULY 13-14, 2024

ART IN THE PARK JULY 13

One of the most coveted gems on earth is the Agate. It is a favorite with rock collectors because of its natural beauty and unique features. As with snowflakes, no two are the same. Made up of primarily chalcedony (a form of silica dioxide), Agates are a member of the Quartz family and are distinguished by their unique bands. Bands are the layers of colors and wavy veins in Agates.

For thousands of years (and still today) Agates were primarily used as healing amulets and ornamentation. Agate beads dated 9,000 years old were discovered in Egypt. Sometime between 400 and 300 B.C., the ancient Greek philosopher, Theophrastus, named the unusual stone after the Achates River.

It takes hundreds to millions of years for Agates to form based on the rock size and surrounding agents. Agates have their start in the crevices and cavities of other rocks, most notably volcanic rock. Temperatures, pressure, and chemistry are the main factors in final Agate formations, as well as the requirement for an acidic to neutral environment.

Agates can be found throughout the world and for over 500 years, the Agate cutting center of the world has been Idar-Oberstein, Germany. The small town is in the Hunsruck Mountains of the Rhineland-Palatinate in western Germany. Craftsmen polished Agates and Jasper from the area until the natural resource was nearly depleted in the mid-19th century. Idar-Oberstein was able to continue their Agate cutting traditions due to Brazil's gem imports.

The best places to find Agates are near ocean and lake beaches, open gravel areas, and cut roads. In the United States, the primary source for Agates are Washington, Oregon, Idaho, and Montana, Wyoming, Arizona, California, New Mexico, Iowa, Wisconsin, Utah, Colorado, Arkansas, Nevada, the Great Lakes, and Minnesota.

In Minnesota, the best Agate hunting locations are the shores of Lake Superior.

The largest Lake Superior (one of the Great Lakes) Agate (108 pounds) is on display at First National Bank of Moose Lake, located in the center of Moose Lake, Minnesota. A perfect example of Minnesota's State Gem, the Agate.

Considered "The Agate Capital," Moose Lake celebrates one of the highest concentrations of Agates in Carlton County with an annual Moose Lake Agate Festival. **Typically every third weekend of July for over 50 years, this two-day event hosts an "Agate Stampede." Two dump trucks filled with rocks, Agates, and money are unloaded along a city street for hundreds of people to search through for the treasures. Agate Days also includes a pancake breakfast, Farmer's Market, Art in the Park, vendors, music, lots of food, and a Gem and Mineral Show.

**Although this year's Agate Days will be held a week early, it is typically every third weekend of July.

NINE & DINE GOLF JULY 26

MOOSE LAKE TRIATHLON AUG. 10, 2024

Come and Tri Moose Lake, a great small town triathlon. First time racer or veteran triathlete, our sprint triathlon is fun for the whole family. Enjoy the beautiful scenery while taking a dip in Moosehead Lake, bike the Munger Trail and quiet country roads, and finish with a smooth run through residential Moose Lake with fun water views. Stick around after the triathlon, because each racer will receive coupons and promotions from local businesses.

Every August, dozens of dedicated athletes attend the Moose Lake Triathlon. The three-part event takes participants through scenic Moose Lake as they swim 0.4 of a mile, bike 12.5 miles, and run 3.1 miles. The date for the 2024 Triathlon is August 10th. It is open to competitors of all ages and the youth especially are encouraged to participate.

To register, go online at tempotickets.com/mooselaketri2024. Sign-in is between 7:45-8:30 am and start time is 9:00 am at the Moose Lake State Park. Entry fees are the following:

EARLY SIGN-UP:	AFTER JULY 23RD:
Youth - \$45.00	Youth - \$50.00
Individual - \$70.00	Individual - \$80.00
Team - \$120.00	Team - \$135.00
NO REFUNDS	

Contact the Moose Lake Area Chamber of Commerce for more information, 218.485.4145.

Moose Lake TRIATHLON

Swim .4 miles | Bike 12.5 miles | Run 3.1 Miles

Tri Moose Lake, a great small town triathlon. First time racer or veteran triathlete, our sprint triathlon is fun for the whole family.
